

SEPTEMBER 16 - 2018

**SUSTAINABLE  
HOUSE DAY**

**LOCAL  
SUSTAINABLE  
HOMES  
OPEN NEAR YOU**

*Image courtesy of EME Design. Photography by Amorfo*

Open the door to sustainable living by touring some of Australia's most comfortable, healthy, low-bill homes on show at Sustainable House Day.

**Sunday, 16 September 2018**

This free national event allows people to inspect and learn first-hand from the owners of new homes and renovations that push the boundaries for sustainable design, garden design, renewable energy and energy efficiency.

To register to attend and find local homes go to:

**[sustainablehouseday.com](http://sustainablehouseday.com)**

  @sustainablehouseday

**renew.**

Proudly delivered by Renew, a national not-for-profit organisation that inspires, enables and advocates for people to live sustainably in their homes and communities.
