**On Sunday 4 May, 150 homes across Australia will open their doors and share their experience of building, retro-fitting and living in sustainable homes.**

Sustainable House Day, hosted by Renew, is an annual, national event offering the opportunity to explore some of Australia's most inspiring green homes, and learn from the people who designed them, built them and live in them.

If you are thinking about building, renovating or retrofitting to make your home more energy-efficient and comfortable, the Sustainable House Day program offers many ways to learn from experts across the country, local community groups, and homeowners in your neighbourhood.

## Open house tours

Sunday 4 May

Tickets on sale from mid March

## Live expert webinar series

Tuesdays & Thursdays in May

Tickets on sale from mid March

## Community Partner Events

Throughout May

## House video tours

Online from late April
